Subject: 610 Cherry Matter

Mayor,

As requested, I did drive by and review the stone / rock wall being build at 610 Cherry. I do agree that there are potential safety concerns, specifically the sight distance from Cherry Lane in the Twp. turning right on to Talmage Road and on Talmage turning left onto Cherry. The Current wood fence now removed abled motorist to see through fence and see oncoming traffic to make a safe turns. The solid stone / rock wall would eliminate that visual. If the wall was permitted I feel a height restriction should need to be implemented.

Respectfully submitted,

Chief John S. Camoia, CPM
